ORDER TO EXTEND DISCOVERY

OF MAGISTRATE JUDGE GREWAL**

EULER HERMES AMERICAN CREDIT

Counterclaim Plaintiff,  
  
vs.  
  
NATURE'S OWN PHARMACY, LLC,  
RICHARD WALLACE; RICHARD  
WALLACE, et al.,  
  
Counterclaim Defendants.

1 By this stipulated motion, the undersigned parties request an order extending the  
2 discovery cut-off by 90 days from March 28, 2014 to June 26, 2014 with a corresponding  
3 extension of the deadline to complete expert discovery. Magistrate Judge Paul S. Grewal, who  
4 has been involved with discovery, has recommended that this extension be granted. Good cause  
5 exists for the extension. The parties were before Judge Grewal to resolve discovery issues on  
6 January 28, 2014. As reported by Euler at the hearing, Euler is in the process of collecting and  
7 reviewing approximately 1,000,000 documents, a process estimated to take approximately two  
8 months and Marble Bridge will need to review the documents after they are produced. Three  
9 depositions have been taken in Florida and the parties are scheduling multiple depositions to be  
10 taken in Maryland and San Francisco and possibly elsewhere, some of which will need to be  
11 taken or continued upon completion of document production.

12 Magistrate Judge Grewal informed the parties that they have his permission to relay to  
13 Judge Davila that a 90 day extension of the discovery deadline is recommended by Judge Grewal.  
14 The expert cut-off will also need to be extended by 90 days in accord with the prior schedule.
